

Progress Report

Name: Jaden Tseng
Course: Solving Ordinary Differential Equations with MATLAB
Progress: 100% complete (as of 22-Feb-2020)

Chapters

1. Introduction 100%
2. What is an Ordinary Differential Equation? 100%
3. Solving ODEs Numerically 100%
4. Solving Systems of ODEs Numerically 100%
5. Next Steps 100%
